# AP Career Ladder

**Adam**

EMEA Senior Project Technical Coordinator

- 2014: Accounts Payable Specialist, United Kingdom
- 2015: Accounts Payable Specialist, EHQ
- 2017: Accounts Payable Technical Expert
- 2018: EMEA Project Technical Coordinator
- 2019: EMEA Senior Project Technical Coordinator

“ Although I had no initial background in finance, PPG gave me the opportunity to learn new things. I always wanted to become AP Analyst and I am happy that my dream has come true. That is what I like most about working in PPG: everybody has same opportunities no matter what your starting position is.

**Eva**

Intercompany Team Leader

- 2014: Accounts Payable Specialist, United Kingdom
- 2016: Accounts Payable Technical Expert
- 2017: Senior Accounts Payable Intercompany Specialist
- 2018: Intercompany Team Leader

“ I have been always interested in AP Projects and Improvements. My current job represents many challenges and opportunities for professional and personal growth and I am very curious what my future at PPG has to offer.

**Ondřej**

Business Finance Analyst

- 2015: Accounts Payable Specialist Netherlands
- 2016: Accounts Payable Coordinator
- 2017: Accounts Payable Team Leader NL | DK | BE
- 2019: Business Finance Analyst

“ The position of AP specialist is the most important to gain a lot of information and knowledge about financial processes and to get necessary experience. Anyone who wants to become a Team Leader in any department needs to realize that it requires great responsibility, patience, humility and empathy.
